We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed collection of information is necessary for the proper functions of the Department.
- Evaluate the accuracy of our estimate of the burden of the proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.

- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

*Abstract of proposed collection:* The export, temporary import, temporary export and brokering of defense articles, defense services and related technical data are licensed by the Directorate of Defense Trade Controls in accordance with the International Traffic in Arms Regulations (22 CFR parts 120–130) and Section 38 of the Arms Export Control Act. Any person who engages in the business of manufacturing or exporting defense articles, defense services, and related technical data, or the brokering thereof, must register with the Department of State.

The information submitted pursuant to this collection will be used to evaluate whether a particular defense article or defense service is covered by the U.S. Munitions List, and therefore is subject to export licensing jurisdiction of the Department of State. This collection may also be used to request a change in U.S. Munitions List category designation, request the removal a defense article from the U.S. Munitions List, or request the reconsideration of a previous commodity jurisdiction determination.

*Methodology:* These forms/information collections are to be sent electronically to the Directorate of Defense Trade Controls via the Directorate of Defense Trade Controls website.
